KEKIONGA DISC GOLF COURSE

Disc Golf is played like traditional “ball” golf, but with flying discs (Frisbees and similar objects) instead of balls and clubs. One point (Stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins. The Kekionga Disc Golf Course is free to all players! Simply provide your own throwing discs. Kekionga Disc Golf is Located on Kekionga Park Road.

RIVER GREENWAY TRAIL

One of Decatur's most popular recreational activities, the River Greenway Trail meanders along the St. Mary's River and through Decatur for nearly 4 miles. The pathway links 2 major parks and a Frisbee golf course, providing open space, recreational access and wildlife habitat in the community. While it is difficult to determine exactly how many people use the River Greenway Trail, there is no doubt that it is one of the most widely used amenities in Decatur for bikers, skaters, walkers and runners.
